SPONSOR OPPORTUNITIES

Why be a Sponsor at UTA 2026 Conference?

UTA is a member ran association that annually host a 2 ½ day conference for its utility and vendor members. Our objective each year is to provide an enjoyable and effective learning experience at an affordable cost. We realize the importance of our vendor members and the sponsorship they provide helps UTA balance the attendee's experience with the cost of the event. At this conference, you will have the opportunity to meet and network with utility personnel from all over the southeast. You will be able to engage with CTOs, CIOs, decision makers, developers, network specialists, security officers, and customer care managers that are all looking to improve their utility technology solutions. It is the perfect place and time to introduce your company, display and demonstrate your products, share your message on services, build your company's awareness to prospective utility customers.

Who Attends UTA Conferences?

We have a strong showing of repeat attendees as well as new utility members attending UTA conferences. We pick a different location each year and this year we will be in “The Lookout City” of Chattanooga, Tennessee. We are a close nit group that stay in contact with each other and enjoy this annual time to network together and collaborate on technology and opportunities in the utilities industry.

Sponsorship Categories:

Exhibiting Sponsor:

- UTA will have Vendor Exhibition space available for up to 30 vendors to set up displays to showcase their products and/or services.
- You will receive electronic conference attendee lists with contact information (one-week pre & post conference).
- Your company name and logo will appear in conference materials.
- You will be identified as a Vendor on your name badge.
- The conference agenda allows for two long breaks and a long lunch break totaling over 5 ½ hours of vendor-utility opportunity over the two days. Utility attendees are encouraged to visit Vendor Exhibiting space during these planned breaks. Food and beverages will be strategically located in the Exhibition space.
- Conference registration for your staff enables them to attend all conference sessions and social events ... not just exhibit.
- Fees for Vendor Exhibition space are \$500 for each space.
- Fees for Vendor Attendees are \$300 for each person attending from your company. To allow for the maximum possible utility member attendance, **we ask that vendors plan for a maximum of (2) people only.**
- Please refer to the Conference Announcement published on the Events page of the website for registration information.
- Vendors will be allowed to set up during conference check-in on Monday evening October 5, 2026, between 4 PM through 7 PM or Tuesday morning October 6, beginning at 7:30 AM. Program begins at 8:30 AM.
- Each Exhibition space will include a clothed 6-foot table, 2 chairs, and electricity.
- **Steve Morrison, UTA VP, will be the vendor liaison this year.** For more details or questions please reach out to Steve at:
